

**AMENDMENTS TO THE SPECIFICATION:**

Please amend the specification as follows:

Please replace the paragraph starting on page 2, line 13 with the following amended paragraph:

By splitting the data stream in two simultaneous streams, wherein the one stream starts sending the data from the front and works its way to the rear, and the other stream works its way from the rear to the front, the possibility is given to very quickly send data between and to for instance computers. ~~In most of the cases, the invention relates to sending this data via electromagnetic waves, eg electronically or optically.~~
